Mrs. Mary McGee

Dear Mary:

On behalf of the entire Vestry and Congregation of Christ Episcopal Church, I write to thank the officers and members of Outpost in the Burbs for your kindness and generosity in providing for the cost of repairs to the stove and ovens in our parish kitchen.

Believe me when I say you could not have done a nicer thing at this time of the year when our resources are stretched to the limit and the use of our facilities are put to the test. You noticed that there was a need and you came to our help in a most timely manner.

Please accept our grateful thanks and appreciation once again for this singular act of kindness on your part and for all that you do to provide hot meals to the poor and needy in our larger community. I don't think you realize what a "Godsend" you have been to us at Christ Church. Kindly convey these sentiments to one and all.

With kindest personal regards and every good wish for a very merry Christmas and a bright, happy, and prosperous New Year, I am

Yours very sincerely,

A handwritten signature in cursive script that reads "William Guthrie".
